Subject: Bristol Bay Press Release and Outline for Bristol Bay Watershed Assessment

All:

Please see the attached Press Release submitted to Alaska news outlets and the Outline for the Bristol Bay watershed assessment process we're sharing with affected Tribes and stakeholders. Let me know if you have any questions; you may also have your staff contact Rick Parkin, Associate Director for the Office of Ecosystems, Tribal and Public Affairs, who is serving as our EPA lead for conducting this risk assessment. Rick can be reached at **Ex. 6 PII**
